PROJECTS

LUXE — E-Commerce Store

HTML · CSS · JavaScript

Luxury platform with product grid, live cart, category filters, animated gallery & newsletter — zero dependencies.

Travel Agency Booking System

C# · ASP.NET MVC · Bootstrap

Full-stack booking app with destination browsing, online reservation, user auth & secure admin dashboard.

Frontend — Animated UI

HTML · CSS · JavaScript · jQuery

Animated UI components with jQuery interactivity and fully responsive design across all screen sizes.

Symphony Ltd — IT Management System

.NET 10 MVC · C# · EF Core · SQL Server

Enterprise system with 18 SQL tables, admin dashboard, role-based access, and student result lookup.

POS Pro — Point of Sale System

HTML · CSS · JavaScript · PHP

Complete retail POS — product management, inventory tracking, bill generation & transaction history dashboard.

Full-Stack ASP.NET MVC Web App

ASP.NET MVC · JavaScript · Bootstrap

Layered architecture app with interactive JS UI, responsive layout and focus on code quality & scalability.
